9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

When screening CalFresh Application for Expedited Services, HH member(s) receives SSI/SSP income and other HH member(s) have income or zero income.

Is the SSI/SSP income included in the review of less than \$150 in monthly gross income and liquid resources of \$100 or less; or combined monthly gross income and liquid resources which are less than their monthly rent or mortgage and utilities?

If HH member receives RSDI in addition to SSI/SS, is it reviewed and included in the screening process?

10. REQUESTOR'S PROPOSED ANSWER:

Assuming everyone in the HH purchases and prepares together:

Per 63-402.226 and 63-301.51 : The HH member receiving SSI/SSP is ineligible to CF, and their income and property is excluded in both the screening for ES, and in the HH budget. They are considered an ineligible member, and should be put in the case to be included as a contributor toward any HH expenses.

It doesn't matter if they are receiving any other income in addition to their SSI/SSP. All income and property are excluded. Any income by otherwise eligible HH members would be considered when answering the ES screening questions.

11. STATE POLICY RESPONSE (CFPB USE ONLY):

CDSS concurs with the county's interpretation.
